

Notre Dame Academy Library Celebration Donation!

The Notre Dame Academy Library is pleased to offer your family a fun way to celebrate the important people and events in your life. You can show your children the value you place on reading, all while enriching their school library now and for years to come!

Purchase a book from the NDA Library wish list and let us know what you would like to commemorate. We'll create a special bookplate and add your book to the library's permanent collection.

How to Participate:

View the [Library Wish List](#) at Amazon.com. Under the **Lists** drop-down, click **Find a List or Registry** and search for "NDA Library". You will see two lists – one for our elementary library and one for middle school. The book(s) you choose can be shipped directly to NDA. Remember to also fill out the donation form and send it to school! If you'd prefer to make an anonymous donation you don't need to send a form.

Alternatively, ship to your home or buy from another source and have your child bring the book and donation form to school. (Please let us know ASAP if purchasing elsewhere so we can remove the book from the Amazon list.)
