

## IDEAS FOR BIRTHDAY CELEBRATIONS

**1100.02** - Due to the Wellness Policy mandates by the Federal Government and allergy issues, parents must send NON-FOOD items as birthday treats. **Items such as stickers, pencils, fun shaped erasers, bouncy balls, silly sun glasses, bubbles, etc. or a book for the classroom library or school library, which will be donated in your child's name and a bookplate will be added to the inside cover.** If you are interested in donating a book, contact the librarian or teacher. NON-FOOD items are mandated due to the Wellness mandate and the number of food related allergies.
