

Dear Parents of NDA *thespians*!

As we are finalizing costumes for your children, there are a few items they will need to bring from home. On page two, is a general list of costume needs. Those characters that deviate from the norm have been notified about their special costuming requests. Please read carefully as there are certain caveats for certain grades, genders, and characters. The costume committee thanks you in advance for getting these items delivered to school timely and with the **student's name clearly indicated on each and every** item dropped off. We have 60 actors to keep organized, so your attention to this detail is extremely important!

We are asking that you have these items delivered to school by **Monday, February 24** so the costume committee has enough time to search for items which you are unable to provide. Items can be dropped in the boxes in the band hallway. In addition to labeling each item, please put all items into one bag clearly labeled with student's name.

**Please note you will receive a separate email regarding hair/make-up needs from the Hair/Make-up Committee.*

Besides socks, while not necessary, you may want to consider buying multiple undershirts, cami's, tights, etc. The costumes and lights are hot. The undergarments get stinky pretty easily, and they will be wearing them for seven days straight.

FEMALE SHOES - We are in the process of trying to source character shoes for all females. Unless you are a "CHILD OR A FEMALE CHIMNEY SWEEP" in the play, assume at the moment that shoes will be provided for your daughter. If we are unable to secure shoes, we will let you know by next week. With that said, we have access to many shoes and boots, so please don't hesitate to let us know if you do not have shoes that are appropriate for the play.

Please contact us before purchasing anything. Many times we will have what you need. Your personal items will all be returned at the end of the play as long as they are labeled.

Additional Costume Requests:

We are also seeking character shoes, extra black pants, button downs (specifically adult small or medium button down light beige or light blue collared shirts), black flats or lace up short boots or mens lace up shoes - middle school sized. If you have anything that is gathering dust in your closet, we promise to take very good care of it and return it at the end of the play or will gladly accept your donation.

If you have any questions or need help locating an item listed, please email Suzanne Kramer at spk102475@yahoo.com.

Thank you again for your support and participation during this year's production!
